DEDICATED^{*} to the memory of the late **William Halleck Hockman, D.D.** MISSIONARY ☆ EDUCATOR ☆ CHRISTIAN GENTLEMAN

*For over twenty-five years a missionary with the China Inland Mission...for
nineteen years Director of the Missionary Course in the Moody Bible
Institute...for nearly a half century having a clear vision
of and impassioned interest in world-wide missions ☆ Receiving Jesus Christ
as his Saviour and Lord early in life, he received academic instruction
and training in Christian service in various schools, including the
Moody Bible Institute ☆ God honored him with special courses in his school
of sorrow and suffering, so that as he carried on his important and
fruitful ministry in the Institute, he was "able to comfort
others with the comfort wherewith he himself is comforted of God," 11 Cor. 2:4*

**(This dedication was planned before the death of Dr. Hockman, January 8, 1945)*

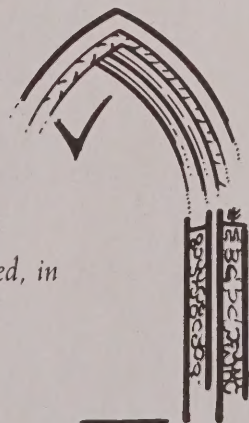

*"...absent from the body...present with the Lord."
...11 CORINTHIANS 5:8*

In Memoriam

Mrs. William H. Hockman, a sister greatly beloved, went to be with the Lord, November 1, 1944 ☆ She was a special instructor in the Institute, bringing to her subject, "Nursing on the Mission Field", thirty years of practical experience in China, where she served with her husband, Dr. William H. Hockman ☆ She possessed, in rare measure, a heart of love for all the saints, and for the lost, as well as that buoyancy and joy produced by the Holy Spirit, which gained for her the affection of all who were touched by her fruitful life and ministry.

Preface...

"Ye are the light of the world. A city that is set on an hill cannot be hid."
(Matthew 5:14)

From this sacred utterance we have selected our theme, "YE ARE THE LIGHT OF THE WORLD."

Our Lord and Master, who said of Himself, "I am the Light of the world," also said to His disciples, "Ye are the light of the world." When He, the True Light, shone into His disciples, should let our light so shine before men that they may be led out of the darkness of this world

God hath chosen our beloved school, The Moody Bible Institute, to be a lower light in this world. Since 1886 the Institute has been radiating the Light of Life, and through this volume we hope to transmit beneficent rays of the present Institute life.

Our Founder . . .

D. L. Moody's aspiration for his Bible students in the words of St. Paul
found in Philippians 2:15 —

"That ye may become blameless and sincere, the sons
of God, unblamable, in the midst of a crooked and
perverse nation, among whom shine ye as lights in
the world."

Administration

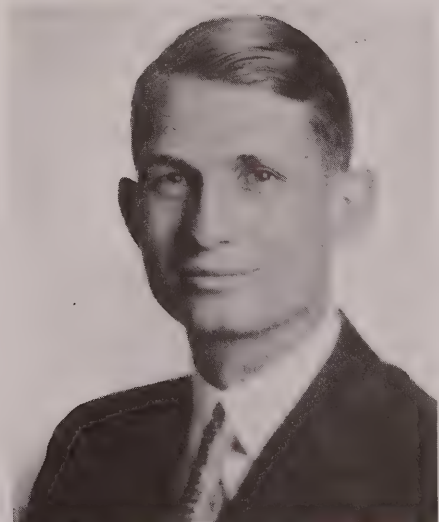

This volume is a book of friendship, of Christian friendship. Here are to be seen names and faces of individuals who have by faith been brought into relationship to God and to each other. On the basis of this relationship, there has been during these two or three years of school life a growing, and we are convinced, an enduring fellowship.

On behalf of the official family, we greet each one of our students, who in this educational year has become a graduate. In a world ablaze with hatred, you graduates, having been brought "to know the love of Christ, which passeth knowledge," are sent forth to manifest Christian fellowship to the degree that the unbelieving must say, "Behold, how they love one another!"

CROWELL HALL*

The passing of Mr. Henry P. Crowell during this educational year brought the Institute the greatest loss since the death of Dr. James M. Gray, ten years ago. While Mr. Crowell was not so well known to the student body as other administrative officers, yet his interest in the students was just as deep, for his life was intimately identified with the school for forty years and more.

Luther has an interesting translation of a familiar phrase. The Authorized Version says, "Let your moderation be known to all men." Luther says, "your yieldedness." Let it be evident to all men that your life is actually and entirely yielded to Christ. This can be said of Mr. Crowell. His yieldedness was known to all who knew him.

Mr. Crowell's life was rich and full. In the way he carried his nearly ninety years he gave evidence of the fact that age is not a matter of years, but of spirit. Some men are older at thirty-nine than he was at eighty-nine. Old men look back and reminisce. He looked ahead, and ventured.

Not many weeks before his passing the Executive Committee discussed the possibility of taking up a new type of work. Someone remarked that if this were done we would be pioneers in the field. Mr. Crowell at once responded, "It is thrilling to pioneer." Here was a man nearly ninety years of age, still thinking in terms of adventuring for Christ!

A proper way to memorialize Henry P. Crowell would be for each one of us left in this earthly scene a little longer to determine by the grace of God that our lives shall in larger measure give evidence of yieldedness to Christ and of the desire to adventure for Christ.

December 1944

We, the class of December, 1944, are glad to have had the privilege of fellowship in study, work and recreation at such a place as the Moody Bible Institute.

Our thoughts drift back to the days we first considered entering the Institute and how we wondered at such a possibility. Then one day we arrived! Our first days were filled with thrills and surprises. As the days passed by it began to seem like our second home! We made new friends . . . bosom pals, whom we shall never forget, though years and miles shall separate us from each other.

The class of December, 1944, organized, and we saw our names posted as members of that class. What a thrill! "Baby" Juniors . . . Juniors . . . and we made it . . . Seniors at last! Then after a busy term we marched in our caps and gowns to receive our much-longed-for diploma. God had answered our prayers and those of many relatives and friends.

It seemed our stay was so short, but we know that as we walk down "memory lane" there will be many fond recollections which will make us laugh, sigh, or even cry as we recall how we were broken, molded and polished for our tasks somewhere in this great world.

And now as in the words of our motto, "In Thy Name We Go," we know our Heavenly Father watches over us.

April 1945

D. L. Moody started his Sunday School Class in order that the urchins of the Chicago streets might hear the gospel which had made such a wonderful change in his life. Little did he dream that some day a great Institute such as the one from which we are graduating would be standing in his memory.

It was the desire to be able to tell others the gospel story that brought us to the Moody Bible Institute. Our hopes have been fulfilled. Our instructors have worked patiently with us, for which we are very grateful. We shall always uphold this school before the throne of grace, praying that God will keep it the great training center that it has been to us.

The practical Christian work which we have had here has equipped us to meet almost any problem that might confront us in our life's work of winning souls to our Lord.

Our Lord hath commissioned us, "Go ye into all the world, and preach the gospel to every creature." As we, the class of April, 1945, go forth, it is our desire to serve our Lord in whatever capacity He would have us serve.

Remembering "He that winneth souls is wise" . . . "And they that be wise shall shine as the brightness of the firmament; And they that turn many to righteousness as the stars forever and ever" . . . also, our Lord's promise, "Lo I am with you alway, even unto the end of the world," we leave this great milestone of our life to press on "that they may hear" to the ends of the earth.

August 1945

As we look back upon precious years spent at the Moody Bible Institute, the most valuable lessons we learned are those spiritual lessons taught by the Lord Himself.

Most of us came to the Institute directly from high school and through the efforts of our faithful instructors, we began to realize our great responsibilities. We felt the demand of a sin-cursed world needing men and women of God!

Throughout our lives we have often wondered at the trials we faced. But as we look back, we see those all-inspiring words, "called according to His purpose." In viewing the days ahead, we expect hard battles. Again we are strengthened in the inner man when we say with full assurance, "called according to His purpose."

We feel highly privileged to be graduated in days such as these. The ranks here have thinned, many of our men having been called into battle. Yet, it has pleased God to permit us to obtain further training for Christian service.

The Lord has graciously given the members of our class numerous talents. May He enable us to use these in fulfilling the purpose whereunto we were called. We leave our beloved school being confident that He which hath begun a good work in us will perform it until the day of Jesus Christ.

Evening School

Paul Besancon, a Day School student, shows an Evening School student the procedure to be followed in making out her "weekly report."

"Two vanilla double-dips comin' up!" The Sweet Shop is a popular place to meet your friends for that "snack" before class.

Young Christian business women who desire a better knowledge of the Bible and related subjects use their evenings to attend the classes offered by the Evening School.

Other than class activities, these students find time to enjoy fellowship in service and recreation.

With a bit of "refreshment" before them, these Evening School students enjoy the fellowship of Christian students.

These students contemplate their service for the Lord . . . "Number of tracts distributed . . ." "Persons spoken to . . ." Thus they are being trained at this West Point of Christian Service.

The Evening School of the Moody Bible Institute makes it possible for young and old, regardless of race or position, to use their evening hours in the profitable study of the Word of God in thorough and systematic courses. The library is also for the use of Evening School students. In the classrooms, the competent and consecrated Day School faculty provide an all-round and practical course of study.

Correspondence School

ROBERT L. CONSTABLE
Director

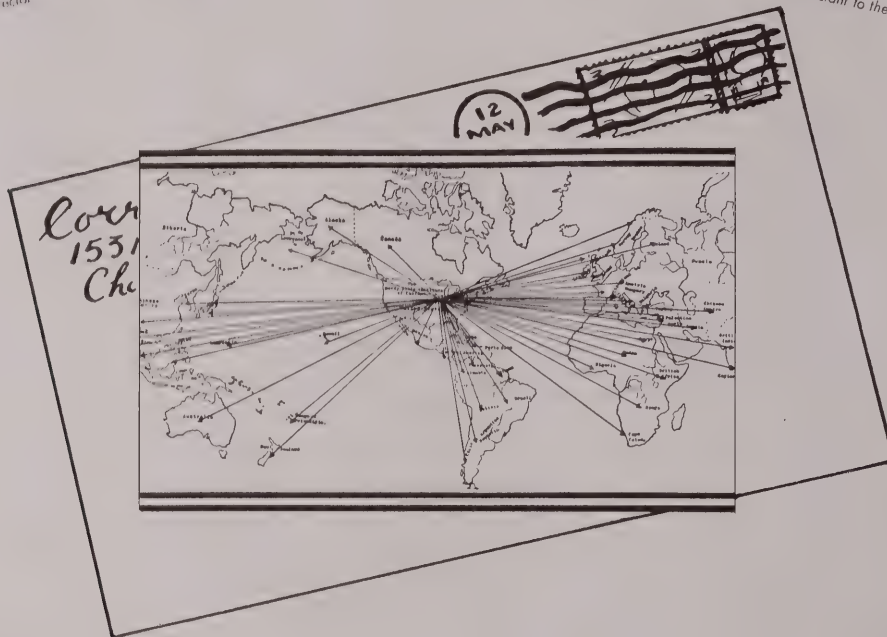

Bringing to those who cannot attend the Residence School the advantage of Bible study under the direction of great teachers, the Correspondence School outreach continues to grow. About twenty thousand active students have been enrolled this year, including over nine hundred classes.

Among the students in this school are rich and poor, young and old, dark and light, babes in Christ, and those who have spent years in devoted service to Him.

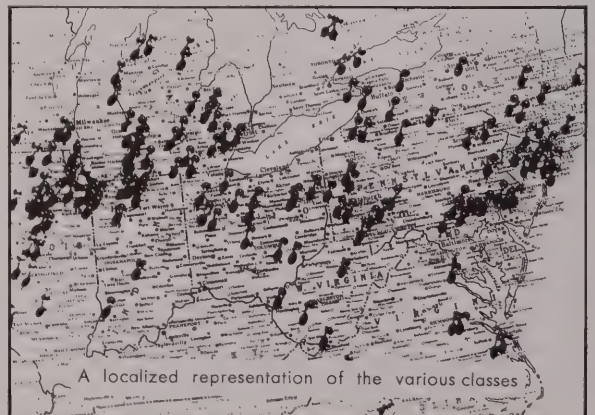

In a day of many Bibles and much preaching, there is very little knowledge of the Word of God. The Correspondence School seeks to increase this knowledge, that the purposes of God may be more perfectly accomplished in the lives of His people.

L. EDWARD MATHEWS
Assistant to the Director

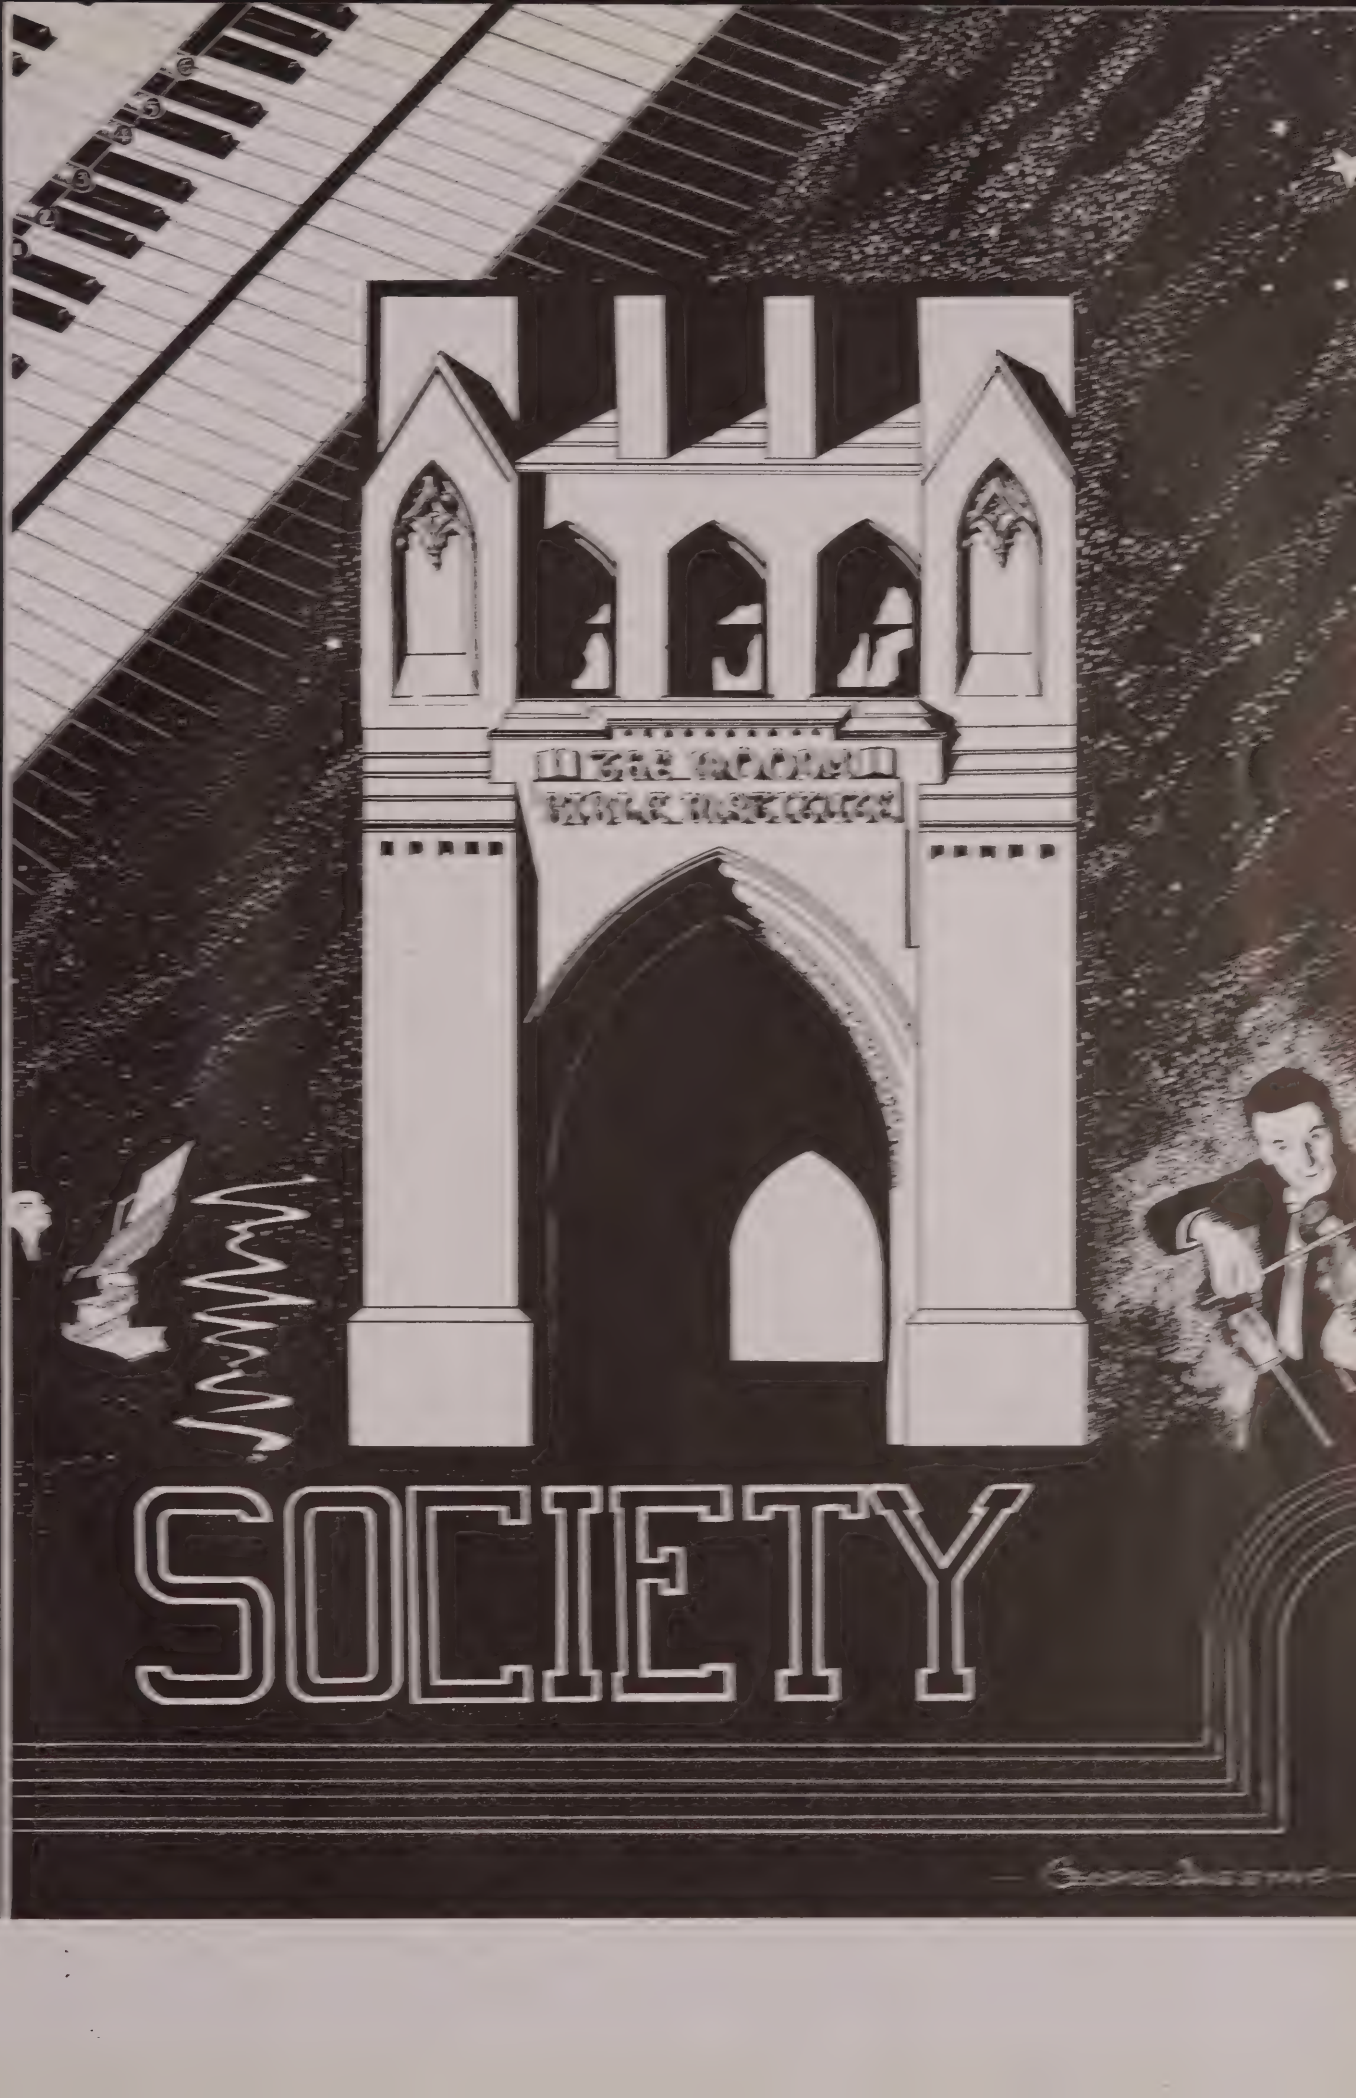

"Everything looks favorable for a wonderful time of Bible study."

Dear Diary: _____

September 11—

Fun reigned supreme to-night! We were "recepted" as first termers by the Recreation Club officers, then we were guests at a lively "SCHOOL DAZE" party . . . everyone loved it!

September 16—

We had a great time to-day at the outing sponsored by the "Rec" Club! They took us to the Brookfield Zoo . . . I guess the monkeys thought we were pretty funny!

September 25—

Diary! You should have seen the display of ability to-night at the Recreation Club program "TALENT NIGHT"!

October 9—

Guess what "Rec" Club had for us to-night! "STATE SUPPER." I must confess it made me a little homesick being with all th' gang from our home state (we even sang our state song!). The humorous and patriotic program "THESE UNITED STATES" proved to be a fine tonic for my case of nostalgia . . . a good time was had by all!

October 14—

This was a very profitable Saturday! The "Rec" Club took us out to the Museum of Science and Industry.

October 30—

SPOOOOOOOKS! We were entertained to-night as the Recreation Club displayed more ability as the versatile host during the Hallowe'en party. The "WITCHWATCH" rode its broom to success!

November 13—

We were kept in "stitches" to-night! "MOODY'S MUSICAL MUSIC MEMBER'S MUSICAL." A student-body program in honor of Mr. Bitnikofer who is taking a leave of absence from the Institute.

November 23—

"Hit 'em high! Hit 'em low! C'mon team—let's go!" And so, the Recreation Club sponsored the "TURKEY BOWL" game to-day. Our football heroes hit the gridiron . . . the MBI all-stars and the August 1945 class. Final score showed the results of a hard fought battle . . . 0-0!

November 27—

Recreation Club had an extra treat for us to-night . . . William L. Darden the well-known lecturer and explorer with his films on Alaska. And to think!—I had planned to study to-night!

December 2—

Say, diary . . . have you heard of the beautiful BAHAI TEMPLE? Well, the "Rec" Club took us out there this afternoon! It was certainly a sight worth seeing.

December 11—

To-night, we were entertained at the ALPHABET SUPPER. Those of us with the same last initials ate at the same table . . . it was fun getting acquainted! The "Rec" Club let us have the WHOLE evening free to cram for exams!

January 8—

We laid aside our traditional dignity and helped "Rec" club sprout the first real social event of the new term! We were really "mixed" up at the "MASON-DIXON MIXER."

January 13—

The skating party which "Rec" Club had planned for us in Lincoln Park was called off . . . no ice! (Perhaps it saved many an unconventional position . . .)

January 22—

The SALVATION ARMY Territorial Staff Band favored us with an excellent musical program. Recreation Club hit another high mark!

February 12—

The EUREKA JUBILEE SINGERS presented an inspiring program which we'll never forget! You should have heard them sing "The Great Judgement Mornin'."

February 26—

Another "Rec" Club high spot! "HUMORESQUE" . . . a hilarious treat! Superb costuming!

March 12—

Wheaton College opened its stately portals to the aspiring MBI teams! After that rousing pep meeting last Saturday afternoon in anticipation of SPORT NIGHT what else could we do but win?—Well, we were good losers!

March 26—

We attended the CAMPUS ELECTION to-night for the new Recreation Club officers. Eloquent speeches will undoubtedly be remembered as achievements supreme! Glenn Samuelson relinquished his responsibilities to the new prexy Covell Hart.

April 2—

We were all prepared to terminate our final burst of energy at "Rec" Club's GRAND FUN-ALE, but you know Chicago! Plenty of showers but "no soap" (as far as the picnic was concerned). Oh well, I should be studying for finals, anyway!

"It is the office of high art to create music out of sound, poetry out of words, beauty out of color, and form out of matter."

With an eye to providing students with such opportunities for practical experience in creative thinking and correct expression, *FORENSIC SOCIETY* presents debates, round table discussions, town meetings, and other types of programs. Thus, the students are better qualified to meet the present day problems as they seek to better serve their Lord—with this thought uppermost "... That in all things He might have the preeminence."

Ceux qui dirigent l'oeuvre missionnaire d'Afrique exigent que les élèves entreprennent une courte étude du français. Pendant le temps limité qu'on peut y consacrer à l'Institut, on commence à comprendre, à parler, à lire, et à écrire cette belle langue.

Founder's Week

• It was in 1886 that Dwight L. Moody was used of God to found the Day School of the Moody Bible Institute. Since that time, under the leadership of various men of God, it has been a stronghold of Bible truth.

• In order to commemorate our founder, conferences are held which bring many widely-known speakers to the Institute. This year's Founder's Week Conference featured the combined testimonies of Lt.-Gen. Sir William and Lady Dobbie as well as messages by Irwin A. Moon, Dr. Harry Rimmer, Dr. William L. Pettingill, Dr. Wilbur M. Smith, and many other renowned speakers.

LADY DOBBIE

"... Here is the testimony of Malta's former governor—the man credited with keeping this key island out of Axis hands, Lt.-Gen. Sir William G. S. Dobbie, G.C.M.G., K.C.B., D.S.O.:
'I cannot attempt to describe what I owe to the Lord Jesus Christ, nor what He has meant to me throughout my army career. The knowledge that it is to Him that I owe my eternal salvation has given me a peace which nothing has been able to disturb, while the companionship and help which He has consistently been ready to give me have been very real and very wonderful!
'I most humbly but earnestly commend Him as Saviour and Lord!'"

• "O sing unto the Lord a new song; sing unto the Lord, all the earth. Sing unto the Lord, bless his name; shew forth his salvation from day to day."

• WMBI and WDLM, "the radio voices of the Moody Bible Institute," have reached into the homes and hearts of many thousands of listeners. The personnel is composed of a competent staff of workers under the able direction of Wendell P. Loveless and his assistant, Robert Parsons.

• Many students who are gifted and trained as vocalists, instrumentalists, speakers, continuity writers, and in various other capacities assist in the daily presentation of gospel programs.

"... Dedicated wholly to the service of our Lord and Saviour Jesus Christ"

Gold Star Memorial

"Render therefore to all their dues . . . honour to whom honour." Romans 13:7.

Deeds of heroism always command our admiration. That which particularly merits recognition is the motive prompting the deeds. Chief among the motives actuating those who have gone forth in the service of their country are; first, defense of the right; second, sympathy for the oppressed; third, loyalty and obedience to God in response to their country's call to its defense. All of these motives are to be recognized as of high order, commanding our respect. We believe that those of our number who have made the "supreme sacrifice" felt called to go forth to defend the cause of righteousness, to help liberate the oppressed, and to render obedience to God in patriotic loyalty to their country's call.

We salute them in the Name of our Lord Jesus Christ Who gave Himself to save the lost. We believe that though now dead their personal identity abides; and, though separated from their bodies, their indestructible personalities live on.

Earthly life is but one stage of God's progressive life plan. Those who have fallen on the battle fields live on. We should not think of their lives as incomplete. We, the living, are active. Those who have crossed over, we are pleased to believe, continue their activities under God's direction.

We say "Adieu" to our comrades who have fallen with the assurance that we shall greet them again on the other shore on the eternal morning. Our confidence is not based upon the fact that they have shed their blood, but because of their living union with the Lord Jesus Christ Who shed His blood for their salvation. These gold star former students are still in the loving care of the blessed Saviour.
